

The image features the Qt logo, which consists of a green square with a white 'Qt' inside, followed by the word 'day' in a green, lowercase, sans-serif font. The background is a dark, textured image of a tree trunk, overlaid with a semi-transparent green filter.

Qt day

Come to Florence on the **23rd and 24th of May 2018**, to attend the only conference in Italy on the Qt framework. If you aren't experienced there's an introductory training session designed for you and managed by officially certified Qt developers.

If you are a student, your ticket won't charge 200€, but IT'S FREE! <http://dvlr.it/qtst>

There's a limited number of free tickets for students so reserve your ticket as soon as possible!
